Experience

Cloud Data Engineer Data Clymer (now Spaulding Ridge), Remote | 07/2022 - 06/2023

- Facilitated Agile ceremonies and spearheaded a database upgrade for a Multimedia company, reducing source extraction times and improving reporting accuracy by 53%.
- Developing scalable data pipelines for the 'Fan 360' and 'Golden Record' initiatives of the National Football League and Major League Baseball to drive sales and improve the overall fan experience.
- Collaboratively architecting data pipelines to reduce source data collection times from once every 24 hours to once every 15 minutes (a total reduction of over 98.9%).
- Presentations to / training of outside teams via knowledge transfer sessions and data demonstrations.

Data Engineer Gathi Analytics (now Apexon), Remote | 12/2020 - 03/2022

- Transformed banking data from legacy systems to cloud-based architecture (e.g.: Snowflake) to improve data accessibility and performance.
- Presented data lineage and integrity reports to bank regulators to ensure performance compliance.

- Transforming large amounts of banking and PII data from legacy on-prem systems and data centers over to cloud-based architecture while maintaining and documenting data lineage / integrity.
- Creating interactive dashboards based on data findings for Bank Board
- Training / mentoring new hires via the Gathi Garden program.

Project Manager Noble Hands H & C, San Antonio, TX | 10/2017-01/2020 | 07/2023 - Present

- Led project teams, managed resources, and delivered multiple projects with zero overages or injuries, resulting in an Angi 5-Star rating since inception.
- Successfully managed sixteen projects (<\$1M) with zero overages and 100% worker safety.
- Achieved 5-Star customer service and business ratings across Angi (formerly Home Advisor).

Education

Certificate of Completion - PMP Exam Prep - 35 PDU Technical Institute of America, Remote | 2024

Certificate of Completion - Data Science Codeup, San Antonio, TX | 2020

Bachelor's - Biology Concordia University, Austin, TX | 2001
