## Career Summary

Results-driven Product Manager with extensive experience in data engineering and project management. Proven track record of delivering innovative solutions in fast-paced environments, particularly within the B2B software and cybersecurity sectors. Adept at engaging customers, leading technical discovery, and translating complex technical concepts into business value. Strong collaborator with a focus on driving efficiencies and ensuring project success through robust stakeholder engagement.

## Relevant Experience

### Cloud Data Engineer

Data Clymer (now Spaulding Ridge), Remote | 07/2022 - 06/2023

- Led technical discovery and solution mapping for 'Fan 360' and 'Golden Record' initiatives, enhancing fan engagement and operational efficiencies for NFL and MLB by reducing data collection intervals from 24 hours to 15 minutes.
- Collaborated with cross-functional teams to architect and implement data pipelines that improved reporting accuracy by 53%, facilitating informed decision-making.
- Delivered technical presentations and knowledge transfer sessions to partners, enhancing sales teams' capabilities and ensuring alignment with customer needs.

### Data Engineer

Gathi Analytics (now Apexon), Remote | 12/2020 - 03/2022

- Transformed legacy banking data systems to cloud-based architecture, improving data accessibility and compliance with regulatory standards.
- Developed interactive dashboards and reports for stakeholders, presenting critical findings that supported strategic business decisions.
- Engaged with clients to ensure data integrity and compliance, effectively communicating technical solutions in business terms.

## Skills

### **Technical Skills:**

- Programming: Python, SQL, JavaScript (familiarity), API Integration, Cloud Data Warehousing (Snowflake, Azure, GCP)
- Data Engineering: Data Pipeline Architecture, Data Transformation Tools (dbt, Matillion), Data Visualization (Tableau)
- Security Standards: Familiarity with OWASP MASVS, NIST, and ISO 27001

### **Soft Skills:**

- Stakeholder Engagement, Cross-functional Collaboration, Clear Communication, Problem-solving, Mentoring, Technical Storytelling

## Education

**Certificate of Completion** - PMP Exam Prep - 35 PDU Technical Institute of America, Remote | 2024

**Certificate of Completion** - Data Science Codeup, San Antonio, TX | 2020  
**Bachelor's** - Biology Concordia University, Austin, TX | 2001
