Career Summary

Dynamic Product Manager with 7+ years of experience leading cross-functional teams in Agile environments. Proven expertise in managing digital products and web-related projects, with a strong emphasis on user-centered design and data-driven decision-making. Skilled in developing actionable roadmaps and improving processes to enhance user experience and drive business growth.

Impact Summary

- **Cloud Data Engineer at Spaulding Ridge:** Led the migration of data systems for the Seattle Mariners, improving data accessibility for non-technical users by 30%, which directly facilitated better decision-making.
- **Product Manager/Owner at NobleHands:** Achieved 200% year-over-year growth by implementing streamlined project management practices and enhancing customer engagement strategies.
- **Cross-Functional Collaboration:** Regularly interfaced with C-Suite and various departments to align product features with business goals, ensuring timely delivery and compliance with brand standards.

Professional Experience

Cloud Data Engineer | Spaulding Ridge | Remote | 07/2022-06/2023

- Developed and executed project roadmaps for data system migrations, ensuring alignment with growth strategies.
- Collaborated with cross-functional teams to define requirements and maintain documentation standards, enhancing project delivery efficiency.
- Facilitated Agile ceremonies using Jira, managing tasks and timelines to support project execution and stakeholder engagement.

Product Manager/Owner | NobleHands H & C | San Antonio, TX | 10/2017-01/2020, 07/2023-Present
