Career Summary

Results-oriented Product Manager with over 7 years of experience in driving product growth through data-driven decision-making and cross-functional collaboration. Proven ability to enhance product strategies by leveraging customer insights and competitive analysis. Skilled in building and optimizing user experiences that drive measurable business impact.

Impact Summary

- **Spaulding Ridge:** Successfully led the migration of the Seattle Mariners' data systems to GCP, enhancing data exploration for non-technical users, which resulted in a 30% increase in data accessibility for stakeholders.
- **NobleHands:** Founded a residential construction business that achieved 200% year-over-year (Y.O.Y.) growth by identifying and addressing customer pain points, demonstrating strong problem-solving and market analysis skills.

Professional Experience

Cloud Data Engineer | Spaulding Ridge | Remote | 07/2022-06/2023

- Developed analytical frameworks and A/B testing methodologies that improved product adoption by 25%.
- Collaborated with cross-functional teams to deliver strategic insights that influenced product roadmap decisions and enhanced user experiences.
- Created and presented data analysis reports to C-Suite executives, simplifying complex insights for diverse audiences.
- Co-designed wireframing and overall UX integration with backend engineering for national e-commerce store.

Product Manager/Owner | NobleHands H & C | San Antonio, TX | 10/2017-01/2020, 07/2023-Present

- Identified market opportunities leading to a 200% growth rate by refining service offerings based on customer feedback and market research.
- Managed the end-to-end product lifecycle, ensuring alignment with user needs and operational efficiency.
- Conducted user testing and iterated on service delivery processes to enhance customer satisfaction.
