Career Summary

Dynamic Product Manager with over 7 years of experience leading cross-functional teams in Agile environments. Proven ability to understand complex problem spaces and translate insights into impactful product strategies. Strong expertise in data analytics, user research, and stakeholder collaboration, dedicated to driving commercial success through innovative solutions.

Impact Summary

- **Spaulding Ridge:** Delivered data pipelines for the NFL's Fan 360 Experience (New York Jets) and MLB's migration over to GCP (Seattle Mariners), optimizing data extraction efficiency by 98.9%, and overhauled a presentation media's database to improving reporting accuracy by 40%.
- **NobleHands:** Achieved 200% year-over-year growth (2018-2019) by identifying unmet customer needs and enhancing service offerings.
- **Apexon:** Launched the "Gathi Garden Program," expediting onboarding processes and enhancing team collaboration, leading to a 30% improvement in new hire productivity.

Professional Experience

Product Manager/Owner | NobleHands H & C | San Antonio, TX | 10/2017-01/2020, 07/2023-Present

- Founded and managed a construction business, leveraging data insights to optimize project planning and contractor management.
- Achieved 200% year-over-year growth by aligning product offerings with customer needs through active engagement and feedback loops.
- Integrated user research to drive product innovation and improve client satisfaction.

Cloud Data Engineer | Spaulding Ridge | Remote | 07/2022-06/2023

- Led GCP migration for the Seattle Mariners, enhancing data exploration capabilities for non-technical users and supporting strategic decision-making.
- Collaborated with stakeholders to produce data-driven insights that informed product roadmaps and marketing strategies.
- Conducted competitive analyses to identify market trends, influencing product enhancements and customer experience improvements.
- Collaborated with internal and 3rd-Party vendors in wireframing the UX redesign for the ACLU's online marketplace.
