## Product Manager

San Antonio, TX | Remote | Hybrid | Local to San Antonio, TX  
nickpjoseph210@gmail.com | (210) 771-9853 | [LinkedIn](#) | [GitHub](#)

## Career Summary

Dynamic Product Manager with over 7 years of experience leading cross-functional teams in Agile environments. Proven expertise in defining product strategy, enhancing user experiences, and leveraging data analytics to drive business results. Strong background in data engineering and user research, dedicated to delivering innovative solutions that align with customer needs and industry trends.

## Impact Summary

- **Spaulding Ridge:** Led the migration of the Seattle Mariners' data systems to GCP, improving data efficiency by 98.9% and enhancing user experience for non-technical stakeholders.
- **Apexon:** Established the "Gathi Garden Program" to onboard and mentor new hires, reducing employee turnover by over 30% and fostering improved team collaboration.
- **NobleHands:** Achieved 200% year-over-year growth by identifying and addressing service gaps between customers and contractors, demonstrating strong stakeholder engagement and customer-centric strategy.

## Professional Experience

**Cloud Data Engineer** | Spaulding Ridge | Remote | 07/2022 - 06/2023

- Defined and implemented data strategies to enhance the NFL's Fan 360 Experience, collaborating with design and engineering for a seamless user journey.
- Conducted user experience research to inform product strategy, ensuring alignment with market trends and customer needs.
- Communicated insights and recommendations to C-Suite and cross-functional teams, influencing key product decisions.

**Junior Data Engineer** | Apexon | Remote | 12/2020 - 03/2022

- Acted as a liaison between product and engineering teams, ensuring alignment on product enhancements and user satisfaction standards.
  - Collaborated on data migration projects, contributing to improved data accessibility and usability for stakeholders.
  - Initiated and led the Gathi Garden Program to enhance team engagement and knowledge sharing, aligning onboarding processes with company objectives.
-
